

The Greenbrier Conference

April 5 – 7, 2019

Purpose

The purpose of the Greenbrier Conference is to provide programs which address clinical practice. Physicians will recognize the most recent developments in the diagnosis, treatment and management of common clinical problems and have an opportunity to interact with faculty in an informal setting and discuss current medical problems encountered in their medical practice.

Disclosure

It is the policy of the American Osteopathic Association (AOA) and Ohio University Heritage College of Osteopathic Medicine (OU-HCOM) to insure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational programs. CME speakers and planning committee members must report all affiliations and financial interest with pharmaceutical companies, biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic. The intent of the policy is that any relationships that may exist remain open so that viewers may form their own judgments about the presentation. Each speaker has signed a disclosure statement, which is included on the flash drive.

Continuing Medical Education

The Ohio University Heritage College of Osteopathic Medicine is accredited by the American Osteopathic Association to provide osteopathic continuing education for physicians. The Ohio University Heritage College of Osteopathic Medicine designates this program for a maximum of **15 credits** of **AOA Category 1-A credits** and will report the CME and specialty credits commensurate with the extent of the physician's participation in this activity.

The AAFP has approved this program for 15 hours of Category 1-A credit. The AAFP invites comments on activities that have been approved. Forward your comments on the quality of this program to CMEcomments@aafp.com.

Commercial Support: None
