YOU can help Ohio fight COVID-19

Enroll in the Medical Reserve Corps and take part in the effort to protect Ohioans.

You may be qualified to join the force administering COVID-19 vaccine throughout your community.

Ohio needs help from licensed healthcare professionals, including:

- Physicians.
- Physicians assistants.
- Nurses.
- Pharmacists and pharmacy interns.
- Emergency medical technicians.
- Veterinarians.
- Dentists.
- Dental hygienists.
- Optometrists.
- Respiratory care professionals.

To register:

- Go to the Ohio Responds Volunteer Registry at https://www.ohioresponds.odh.ohio.gov.
- Click "Register Now."
- Click "Add Organizations," select the plus sign (+) for a drop down of county MRC units.
- Select your county of residence or employment.
- Complete the application.
- Congratulations! You will hear from your local coordinator with next steps within one to two days.

I am calling on Ohioans to volunteer in the fight against COVID-19. With your help, we can protect the health, well-being, and livelihood of every Ohioan in every community. I thank you for your commitment and service.

Stephanie McCloud, Director,
Ohio Department of Health
